### **HAXEY AND WESTWOODSIDE**

The Neighbourhood Action Team, consists of key individual members of your community who meet every quarter regarding issues in your area and at a recent meeting have decided that the priorities are to be as follows:-

1. West Butterwick playing field and track access from North Street (Anti Social Behaviour and Theft)
2. Westwoodside Playing Fields re youths causing annoyance.
3. Greenhill Stores, Haxey re parking issues.

Together with our partnership agencies we work towards dealing with these priorities.

The Neighbourhood team will patrol these and other areas to identify and deal with any persons and/or offences identified.

I do hope that you have all had an enjoyable Christmas and that by the time you receive delivery of the magazine that you are either looking forward to a New Year or already welcomed the New Year. However, please bear in mind that extra police patrols will be patrolling the area to combat any issues and in particular Drink/Driving and drink related issues. Nominate a driver for the journey and please keep safe. Make sure when you leave your house empty that you have taken extra steps to make it safe and secure. Also take extra care driving during this season with sudden changes in weather conditions and dark nights.

You can contact Humberside Police on 0845 60 60 222 for non-emergency calls. If you feel uncomfortable in calling the police with information about crime, then please consider contacting Crimestoppers on 0800 555 111. Crimestoppers is an independent charity working to fight crime. They can also be joined on Twitter, Facebook and Bebo or if you go onto the Crimestoppers website you can also fill an on-line form. When contacting Crimestoppers you do not have to give your name and you may be eligible for a cash reward.

Working with Pc Starbuck is your Police Community Support Officer Susan FAHY, who regularly patrols the South area of the Isle and will be happy to discuss any community issues with you. Please feel free to stop and speak with her or alternatively contact either of us via 0845 60 60 222.
