Best Kept Village 2019

This year the Parish Council offered up the smaller hamlets an opportunity to enter the competition individually and both East Lound and Low Burnham took this up with great enthusiasm. Below are photographs of the finish results from Low Burnham who stated that the project had brought the community together.

Judging will take place between 20th July and 2nd August and the results will be in the next edition. Good luck to both hamlets and the rest of Haxey and Westwoodside. Every bit helps!

Dog fouling

The Parish Council are working with the school at present to create some anti-dog fouling posters to try and encourage all dog owners to pick up after their dogs.

The Parish Council would like to thank the person(s) responsible for putting up the bottles along the Greenway holding doggie bags. A good initiative and let's hope people use them and deposit the bags in to the bins.
