

## High Street, Haxey bus shelter

The bus shelter in the photograph is similar to what is to be installed outside Haxey Co-op. The one being installed is a 2-bay cantilever shelter rather than a 3-bay as detailed.

This is to protect those waiting for a bus and to also combat the parking issues in this area.

The installation is being partly funded by Haxey Parish Council alongside funding from the North Lincolnshire Council Community Fund.

The bus shelter is to be installed in the next 6 weeks.

If you have any questions please contact the Clerk to Haxey Parish Council on 0784 220 1877 or email [haxeypc@live.co.uk](mailto:haxeypc@live.co.uk)
