

CORONAVIRUS HELP AND SUPPORT

As we encounter a rise in infection rates and the possibility of further restrictions we are here to help.

If you are self-isolating because of Coronavirus, we want to make sure that you have help and support if you need it. If you are feeling anxious or if you need someone to shop for essentials, pick up a prescription, chat with a friendly phone call or assist in any other way, then we can help.

If you are worried about a friend or relative in Haxey parish we can check on their welfare.

We are here to help and have made ourselves available to serve the community and help those who need assistance at this time. We are supported by a team of vetted and trusted volunteers.
