BT Kiosk, Low Road, Haxey

On behalf of the Parish Council Cllr Mark Bond has been refurbishing the recently adopted kiosk located on Low Road, Haxey.

Some small panel glass has been removed and pre-fabricated brackets to hook over the external framework which hold some summer planting boxes.

These will be removed in the winter and the glass will be replaced, so as to keep the phone box watertight through the bleaker months.

For now, the kiosk contains a display with both the footpath & Heritage Trail maps, and a few publications should anyone wish to take part in a magazine/book swap, plus a copy of Parish News.

Please email your ideas to the Clerk for the future use of the kiosk and what you would like to see.

Westwoodside Playing Field Association (WPFA)

WPFA Management Committee have been working tirelessly during the pandemic to keep users safe.

It was necessary to close the facility following government guidelines and a great deal of work was undertaken when we were allowed to reopen.

All committee members are currently retired.

We would really appreciate younger volunteers to help us to continue running this charitable play facility with a view to taking over in the future. We meet monthly and as and when necessary.

Haxey Parish Council are the Sole Trustees and have excellent support from the Clerk.

Please consider coming along to see how we work or meet us for an informal chat, for the future of the children of the village. You can join the Committee or just be a volunteer to assist in work days.

For further information please contact the Chairman – Richard Carter on 07771 828 727 or the Clerk on 0784 220 1877.
