**Proposed Traffic Regulation Order  
Bus Stop Markings – High Street, Haxey**

Dear Sir/ Madam,

To enhance the bus shelter recently erected by Haxey Parish Council, we are proposing to implement "Bus Stop" markings on the road to prevent inconsiderate parking.

The markings will be enforceable, the same as other traffic orders and I anticipate they will be implemented during late November / early December, subject to weather and contractor availability.

The attached drawing shows the extent of the proposals, If you have any queries do not hesitate to contact me either by email at [ian.jickells@northlincs.gov.uk](mailto:ian.jickells@northlincs.gov.uk) or by telephone on 01724 297546 and I will be happy to help.

Yours faithfully,

**Ian Jickells**  
**Integrated Transport Project Officer**
